

## 2<sup>nd</sup> Electronic Hermeneutics Homework Assignment

**Introduction to Hermeneutics**

Office: 585-262-6420

Hermeneutical Exercises  
Value: 15 Points

1. Give scriptural support for your answers
2. Make your position clearly understood
3. Assignment must be word processed or typed and double spaced
4. A one page, properly written paper per exercise with a cover sheet
5. Include footnotes and or bibliography as needed

### Exercise # 1

According to some Bible teachers it has been said that airplanes are foreseen in the scriptures, as in Ezekiel 10:9-17. Actually, some say it describes wheels, hub cap, windows and the jet turbines as well as a takeoff. Do you believe it describes these things? Why or why not?

### Exercise # 2

There are Bible teachers submitting that Christians should not have illness or disease, using 3 John 2 for part of their scriptural support. Utilizing a hermeneutical approach state whether you believe the scriptures say this. If yes, why so? If no, why not?
